Spring 2021 Conference presented via WebEx – for FREE
April 14-15, 2021

Assessing the Future, the tech version

Please join us for our Spring 2021 Virtual Conference. Our objective is to demonstrate new technology applications that are going on in other counties, share best practices on information technology issues, and build professional relationships with peers.

To register, please send an email to: CAA-ITRegistration@assr.cccounty.us

Please include your name, job title, county and department name, address, phone and email.

You will receive a confirmation of your registration with links to each of the sessions prior to the beginning of the conference. Presented via WebEx, this is not on the same platform as CAA's Zoom conference.

The detailed agenda with dates and times to come in the near future.
